A CHARLIE BROWN CHRISTMAS

A CHARLIE BROWN CHRISTMAS

It's been 50 years since Charles Schulz's beloved comic strip, *Peanuts*, came to life in an animated TV special. The year was 1965, and *A Charlie Brown Christmas* captivated the hearts of millions of Americans as they watched Charlie Brown search for the true meaning of Christmas . . . and find it while directing his school's Christmas play.

Over the years, watching the TV special has become a holiday tradition for many families. In that same spirit, we've issued a booklet of stamps featuring still frames from *A Charlie Brown Christmas*.

In addition to the Peanuts gang, you'll find a whole collection of holiday stamps in this catalog to add to your correspondence, no matter how you celebrate. For Christmas cards, consider ***Christmas Magi***, ***Holy Family***, or the beautiful ***Geometric Snowflakes***, or add a touch of humor with the ***Rudolph the Red-Nosed Reindeer*** stamps. We also carry colorful, festive issuances for celebrating ***Hanukkah***, ***Eid***, and ***Kwanzaa***.

As holiday gifts, consider our many folios, such as *The Forever Elvis Collection* for music lovers (page 8) or *The War of 1812: Limited Edition Collector's Set* for history buffs (page 16). Then visit our gift gallery on pages 26-28 for framed stamps, notecards, and collectibles. And relive the year in stamps with *The 2015 Stamp Yearbook* shown on the back cover.

However you gather and celebrate this season, the U.S. Postal Service® offers many ways for you to share *your* holiday tradition.

Wishing you a warm holiday,

Mary-Anne Penner

A self-supporting government enterprise, the U.S. Postal Service is the only delivery service that reaches every address in the nation, 150 million residences, businesses and Post Office Boxes. The Postal Service receives no direct support from taxpayers. With 36,000 retail locations and the most frequently visited website in the federal government, the Postal Service relies on the sale of postage, products, and services to pay for operating expenses. Named the Most Trusted Government Agency five consecutive years and the sixth Most Trusted Business in the nation by the Ponemon Institute, the Postal Service has annual revenue of more than \$68 billion and delivers nearly half the world's mail. If it were a private-sector company, the U.S. Postal Service would rank 26th in the 2008 Fortune 500.

E With the issuance of **Medal of Honor: Vietnam War**, the U.S. Postal Service® honors the extraordinary courage of every individual who received the Medal of Honor for his actions during the war. The stamps feature three similar yet distinct versions of the Medal of Honor, one for each Military Department (Army, Navy, Air Force).

G With its prestige folio format, the U.S. Postal Service® commemorates those who received the nation's highest award for valor in combat, the Medal of Honor, during World War II. The folio includes historic photographs of the last living individuals who received the honor, as well as a list of the names of all medal recipients.

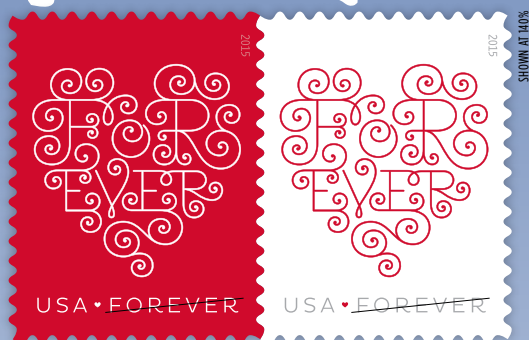

H Inspired by 20th-century American ephemera, these Large Coil stamps feature four different modern interpretations of a flying flag.

Known by several nicknames — the Silver State, the Battle Born State, the Sagebrush State — Nevada became the 36th state on October 31, 1864.

The U.S. Postal Service continues its *Celebrating Lunar New Year* series with the *Year of the Ram* stamp, depicting a traditional wooden candy tray known as the Tray of Togetherness.

Lucky red firecrackers are used to welcome the Lunar New Year and scare away evil spirits.

Bringing an extra wish for happiness to anyone celebrating a special time, this stamp features a brilliant design crafted out of neon and glass by artist Michael Flechtner. The 2015 issuance (shown here) is a new version of this popular stamp first issued in 2011.
